          | (3) D                A/C# | (4) D
1 Tell me      what is pure and unde -      filed?
2 Tell me      what will show the world our faith?
3 Tell me      who will do what he has      heard?

               | (3) Bm7        A/C#      | (4) D
1 Which the    greatest of our Lord's com -    mands;
2 What will    demonstrate the Father's        love?
3 Who will     follow as our Savior            leads?

          | (3) D                A/C#    | (4) D
1 But to       love our God with heart and     mind,
2 His to       guide, we must in turn o -      bey,
3 We must      love each other not with        words,

          | (3) Bm7              A/C#  | (4) D
1 And to       love our neighbor hand in       hand.
2 That our     lives below may point a -       bove.
3 But with     action and the proof of         deeds.
